The Parsons Post

Week Commencing: Friday 16th November 2018

Wow, what a wonderful busy week we have had this week.

Children in Need

Thank you for all your support with Children in Need, it has been great fun seeing all the children and staff in their pyjamas! Have a look on Facebook for more details and photos.

Class Reps

I had a very positive meeting with the class representatives last week, giving both the school and the parent body an opportunity to discuss any issues from either side! In order for us to reach as many of you as possible, we have set up school email accounts for our reps. They follow the format of : hollyrep@lightwatervillage.school.org - each class just needs their name in front!

Please use these addresses to pass on any feedback and to respond to surveys or questions we may put out to the wider community.

We are planning to meet each half term and will publish an agenda beforehand for reps to gather feedback for.

Have a lovely weekend!

Mrs Parsons
